HOW YOUR PAYMENT PLAN WORKS

If this plan suits you, please read our **Puppy Reservation & Purchase Agreement** before paying your deposit. *(If you haven't received it, please request a copy.)* You're welcome to ask us any questions.

Once your 50% deposit is received and your schedule is agreed, we'll arrange your visit. You can choose your puppy and complete the paperwork with us during the visit. When your puppy is ready to leave, you can take them home and pay the remaining balance by the agreed payments.

There is no setup or early-payment fee. You're welcome to pay extra or settle early, and your final payment will not exceed the balance due. We'll agree any schedule changes with you in writing.

A **$10 late payment fee** applies once per overdue payment, where lawful. If you need more time, please tell us before the payment is due so we can arrange a revised date with no late payment fee. The fee will not repeat or compound on the same missed payment.

Your deposit follows the refund terms in the purchase agreement. Your rights under applicable New Zealand law remain unchanged.
